

Dear Mr. Brown,

This letter is in response to your letter dated September 18, 2007 referencing the July Quarterly Report (4/1/2007-6/30/2007) for the Committee To Re-Elect Trent Franks To Congress (C00367110).

In regard to the missing information of the contributors the following letter is sent out:

Dear _____,

We are sincerely grateful for your contribution to the Committee To Re-Elect Trent Franks to Congress.

Federal regulation requires us to obtain certain information on all individuals contributing more that \$200.00 to a federal congressional campaign committee. The required information is as follows:

Full Name
Mailing Address
Occupation
Name of Employer

We do not have all of that information on record relating to your contribution. We respectfully request that information be recorded on the enclosed form and returned in the postage paid envelope.

This is specifically not a solicitation for any additional campaign contributions but rather a legally required effort on our part to obtain the contributor information required by the Federal Elections Commission. Thank you for your kind response.

Sincerely,

Lisa Teschler
Treasurer

If we do not receive a response, we follow this letter with a phone call.

Please do not hesitate to contact me if you have any questions or need additional information or clarification on the issues above.

Thank you,

Lisa Teschler
